

Pennsylvania Ag Republicans

Supporting Agricultural & Farm Family Values

April 14, 2026

Greetings,

I think spring has finally arrived! I spotted my first corn planter last week, which is a true sign of Spring.

As chairman of the PA Ag Republicans, I would like to personally invite you to a fun event we are having May 2, 2026. It is the annual Kentucky Derby Party held at Open Gate Ranch. There are no speeches, but there will be food, mint juleps, games and fun.

The Ag Republicans have two fund raising events annually. The Kentucky Derby Party and the Boots and Buckle Party. The Kentucky Derby Party is held in conjunction with the Kentucky Derby. The Boots and Buckle Party is held in late summer. The proceeds from these two events is contributed to legislators and public officials that support Pennsylvania's number one industry, AGRICULTURE.

The midterm elections are fast approaching; the republican candidates need our support! Please help us provide that support!

If you cannot attend the Kentucky Derby Party, would you consider sending a donation? I would like to thank you for considering my request! Your support is greatly appreciated!

Let's keep the United States Senate and Congress Republican. Pennsylvania needs Stacey Garity as Governor, and we need to win back the PA House of Representatives.

Sincerely,

Michael Firestine

**You are invited to the
